## Our Meetings

*Our summer meetings usually take place at 10:00 AM on the Saturday of the camping weekend. Winter meetings are scheduled in the Fall and the location may vary. They are held on the last Sunday of the month. If at a restaurant, the meeting usually starts after most have ordered their meal and is held while meals are prepared. Winter meetings will not be held in November and January.*

**Secretary Comments**

The weather for the weekend was as good as can be expected. Some members showed up Thursday and there may have been a couple who were there Wednesday. Most, however, came in on Friday. A campfire was had Friday and Saturday evening. The Happy Hour on Friday had plenty of food. As a matter of fact, it was almost a meal instead of snacks. The ice cream social and pot luck on Saturday was the hit of the day. Cribbage, Left-Right-Center and the card game of golf were the entertainment for the day Saturday although several meandered to the swimming pool on Friday. The Wi-Fi was intermittent. The connection to the campground server was usually good but connecting to the internet was another matter. Armand Pinard didn't remember the last time he was here in the same spot that the cable connection at his site didn't work. So, he had to learn that all over again. Since Dennis and Jane Lortie were not with us we missed the breakfast social at their camper as well as bacon and pop-corn. We did have two join us and are going to become members by the next meeting. Rip and Jennifer, yes another Jennifer, from Merrimack NH spend the weekend with us. Jennifer said she already paid her dues and filled out the member application but forgot it home so could not turn it in. That's why you don't see their last name in the minutes or here in the newsletter. As soon as we get the correct spelling, we will certainly let everyone know. Rip is a Vietnam Vet and decorates his awning with lights for the weekend. They have a cute small dog with them that gets along fine with the other pets in the group. John and Cheryl Wood no longer have their 5<sup>th</sup> wheel but now have a Class A motorhome. The change was made to accommodate the two new dogs they have as pets now. P.S. Rip and Jennifer last name is Rocheleau.
